

Granita Dispensers

Fast Freeze Autofill - Ready Fast Freeze

These compact 1, 2 & 3 bowl countertop dispensers are the fastest freezing machines in the industry. They will enable you to produce perfect granita, slush, smoothies, frozen cocktails, ice cappuccino, cold drinks, and much, much more.

Features Include:

- Increased horsepower, higher capacity compressors
- · Shrouded condenser for efficient air flow
- Large capacity 3.7 gallon bowls colorfully exhibit your frozen product
- Hopper tops are front and back lit
- Handle & bowl locking mechanism is standard for extra security
- Independent, adjustable slush density control for each bowl
- · Cool beverage switch and standby features
- Easy to use, easy to remove self-closing spigot assembly

Carpigiani-USA manufactures a complete line of ice cream production equipment: Batch Freezers, Soft Serve Freezers, Yogurt Freezers, Slush Freezers, Milk Shake Machines, Whipped Topping Dispensers, Granita Machines, Frozen Custard Freezers, Mix Processing Equipment and Display Cabinets...

Something for everyone!
